

# Space Request Tool

Walmart's space request tool allows local organizations to request space outside of Walmart facilities for the purpose of fundraising or community awareness campaigns. To start, please visit [www.walmart.com/nonprofits](http://www.walmart.com/nonprofits).

Please visit this FAQ page ([www.walmart.org/local-organization-faqs](http://www.walmart.org/local-organization-faqs)) for commonly asked questions.

Are you a 501(c)(3) organization? Walmart encourages all community partners to become verified through CyberGrants FrontDoor. There are many benefits to being a FrontDoor verified nonprofit partner, such as accessing and managing all your charitable activities through the nonprofit portal ([www.walmart.com/nonprofits](http://www.walmart.com/nonprofits)). To learn more about verification, visit the FAQ page ([www.walmart.org/local-organization-faqs](http://www.walmart.org/local-organization-faqs)).

Start your verification process at [www.cybergrants.com/frontdoor](http://www.cybergrants.com/frontdoor).
